## **CAUDIT Website Login Instructions**

These instructions are for CAUDIT Members that do not have access to authentication via the **Australian Access Federation** (AAF) nor **Tuakiri** via their Institution.

CAUDIT is able to provide a limited number of accounts via it's AAF Identity Provider (IdP) for these institutions. Once an account has been setup, you will be sent details (via the AAF) about how to set a password – and then follow the steps below to get access.

1. Browse to the CAUDIT website (<u>https://caudit.edu.au</u>) on your device and click on the **Login** button in the top right corner.

2. Select AAF Login to authenticate to the AAF CAUDIT Identity Provider (IdP)
