

THE UNIVERSITY OF
WESTERN AUSTRALIA
Achieving International Excellence

Infecting staff with the emerging technologies 'virus'

The leadership game has changed

Dr Lisa Cluett

@lisacluett

#ccaeducause

**How does a university approach the uptake of
emerging technologies?**

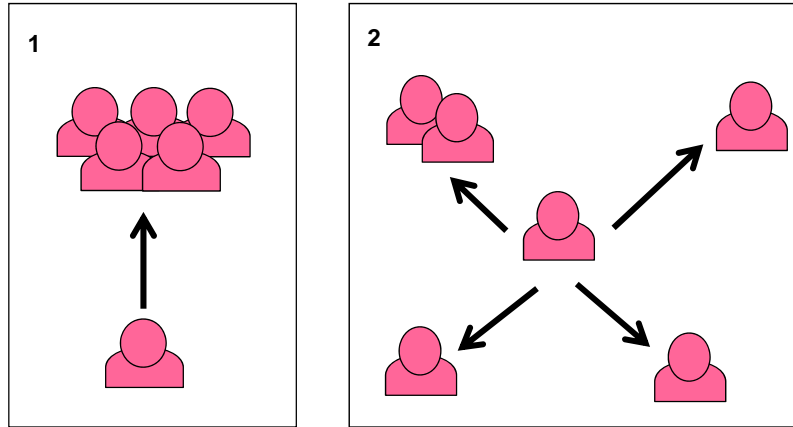

Our target audience are skilled, confident and connected*

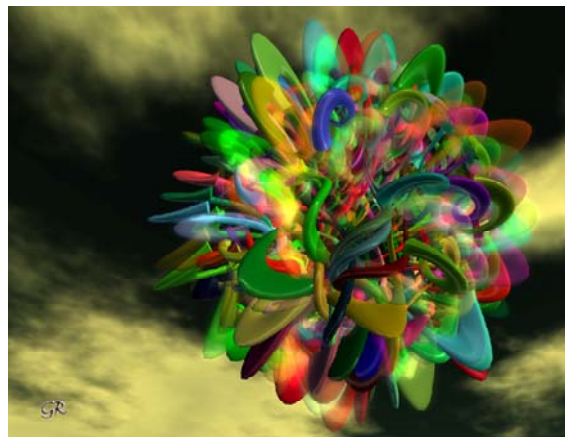

*UWA annual NODE survey of student ICT use

Our staff are...

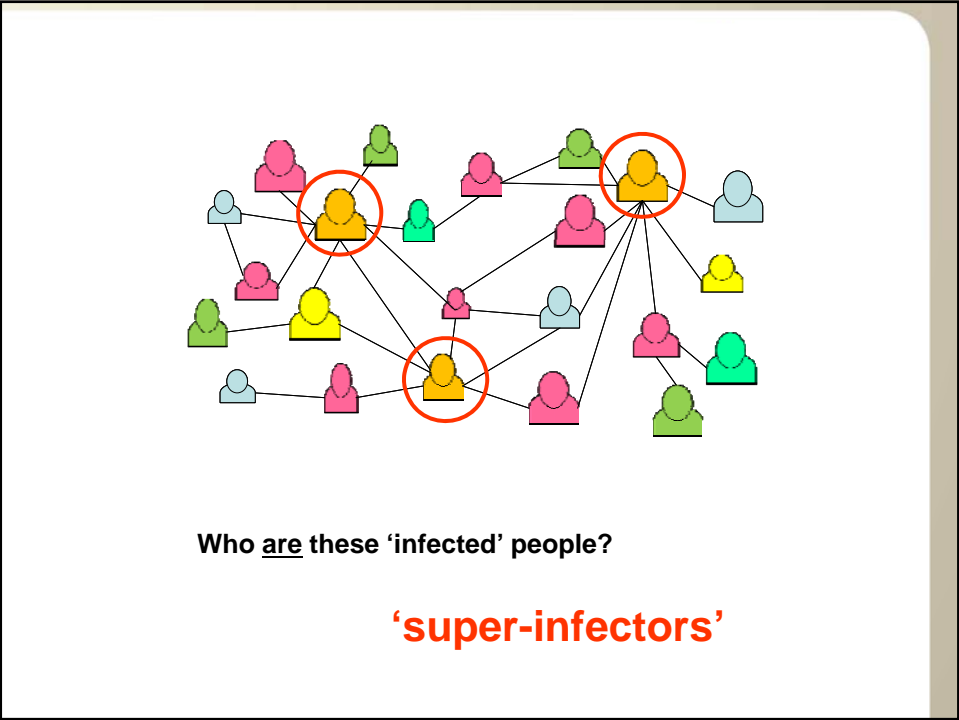

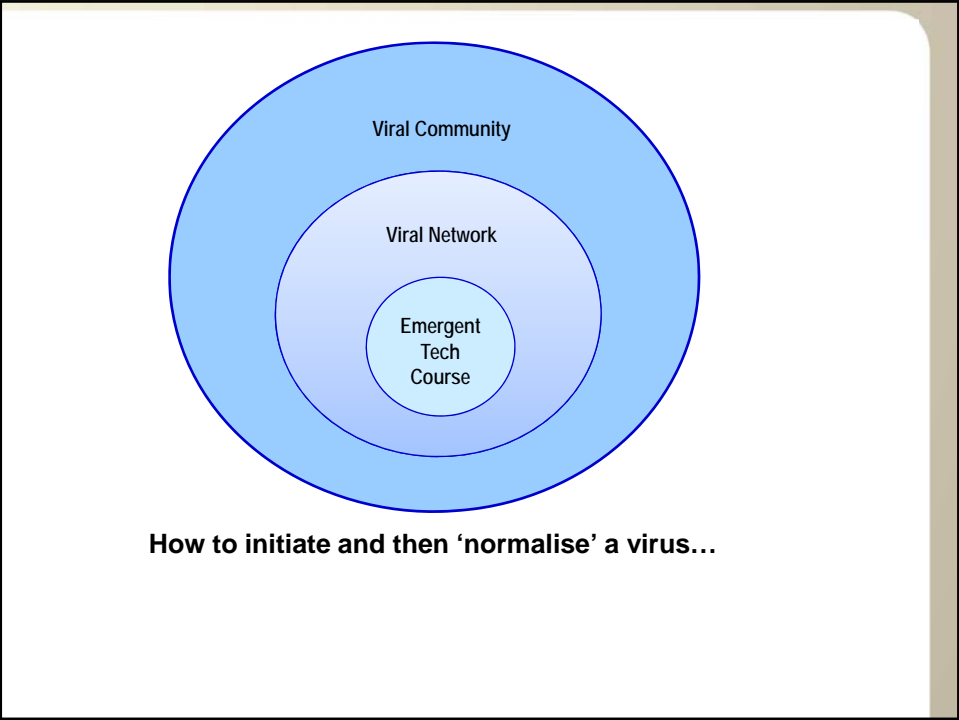

The tried and tested solutions

A new model of leadership

*Federally funded research project

Regular infector

Formal infector

Edge infector

Niche infector

Surface infector

'Toxic' strain

Conditions for 'incubation'

A virus worth spreading?
