How to engage your students with Online Learning

Rebecca Foweraker

Learning Services Support Officer
University of Tasmania
About Me

• I am a trained Librarian, and have worked within the State Library of Tasmania

• Moved to the University of Tasmania where I now work as a Learning Services Support Officer
• I am not an educator, but a supporter of technologies used within UTAS
Overview

• To show a few ways that technology can be utilised within the classroom to engage your students

• All ideas presented are those found through other sources
The Friends’ School has an agreement with Google and is registered as a K-12 school with Google Apps for education.
Google Apps for Education

Welcome to English. Via this website you will be able to access all your class materials.

Recent Announcements

**Reminder about your first assignment!**
Remember that assignment one is due next week on the 12th of April. Please make sure your work is emailed to me by the end of the day. If you have problems with this, please email me for advice.

For: My Speech Story
The Adventure

“Hey, Bruce. Come on an adventure with me,” said Steve.
“Okay, I will bring my dress ups,” said Bruce. So Bruce and Steve dressed up. “I want to dress up as a princess,” said Bruce. “I would like to dress up as an awesome guy who wears a tie,” said Steve.
Virtual Tours

Using your control or arrow keys you can move around and zoom in and out of objects

R2D2 – Read Reflect Display Do

The R2D2 model provides a framework for more engaging, dynamic, and responsive teaching and learning in online environments. – Curtis Bonk
R2D2 – Read Reflect Display Do

• Read /Listen - all about the student gaining knowledge
R2D2 – Read Reflect Display Do

• Reflect/ Write – students observe and make judgements
Information Technology Services and the Tasmanian Institute of Learning and Teaching

R2D2 – Read Reflect Display Do

- Display – Visual learners can show their understanding
