OUR TITLES

Applied Finance Letters
Applied Finance Letters is a peer-reviewed journal published by Auckland Centre for Financial Research. The journal features mainly empirical research with clear implications and relevance for the finance industry. The aim is to encourage discussions among academics, policy makers and financial practitioners.

Pacific Journalism Review
Pacific Journalism Review, founded at the University of Papua New Guinea in 1994, is a peer-reviewed journal covering media issues and communication in the South Pacific, Asia-Pacific, Australia and New Zealand. PJR is published by Pacific Media Centre in the School of Communication Studies, Auckland University of Technology and has links with the University of the South Pacific. It is a ranked journal with SCOPUS metrics.
Applied Finance Letters

Applied Finance Letters publishes mainly empirical research with implications and relevance for academia and finance industry. The aim is to encourage high-quality contributions that foster discussions among academics, policy makers and financial practitioners. The Journal welcomes submissions from all fields of finance, and is especially interested in innovative and original contributions.

Vol 5, No 2 (2016)

Full Issue
Te Kaharoa is an open access, multi-disciplinary, refereed, electronic journal with a focus on indigenous issues in the Pacific region. It is supported by Te Ara Poutama – the Faculty of Māori and Indigenous Development – at AUT University. It accepts but is not limited to articles dealing with language, culture, art, history, anthropology, development studies, and other disciplines associated with the indigenous peoples of the Pacific.
